DESCRIPTION

Indulge in a moisturising and irresistibly scented treat with the Aurodhea "Almond Tart" Body Cream. Its intense and sweet fragrance pleasantly envelops the senses, turning every application into an unforgettable experience. Featuring a gentle formula, suitable for all skin types, it is also ideal for the most sensitive skin. Its fast-absorbing texture nourishes without leaving greasy residues, providing immediate comfort and softness from the very first application. Enriched with HYDRACORE™, an exclusive complex made of Hyaluronic Acid, Glycerine, Silk Proteins and Sweet Almond Oil, it deeply moisturises and helps retain water in the skin, leaving it pleasantly soft. The formula also contains Allantoin, which soothes and refreshes, providing relief to irritated skin. Finally, its antioxidant action protects the skin from free radicals.
